New and Introducing....

Monsieur Fromage In the world of cheese, there is a connoisseur whose name is synonymous with the very finest in authentic French cheeses. "Monsieur Fromage". He travels throughout the countryside of France in the tireless pursuit of the most tasteful and elegant cheese. And now, "voila," his endless search has resulted in a cheese so divine he put his name on it. Monsieur Fromage Le Brie — especially selected for its deliciously rich and buttery taste, so creamy it literally blooms in your mouth.

Monsieur Fromage Le Brie is artfully made the traditional way in the region of Brie, the historic Northern France birthplace of the original Le Brie, the "Sovereign King of Cheeses."

And now, Monsieur Fromage Le Brie has arrived to satisfy the most discerning palates of cheese lovers in the US. "Le difference" is the traditional manner in which authentic Brie has always been made.

This rich, supple cheese melts in your mouth and titillates your taste buds until they quiver with delight. Monsieur Fromage Le Brie is "la crème de la crème" for Brie aficionados. Savor it with a crispy French banquette and paired with a creamy, subtly oaked Chardonnay, fruity dry Rosè, fruity French beer or aperitif.
