Papillon	
Item #:	015050-001
Pack:	2/3 lbs

### Roquefort Papillon Sheep Blue Cheese:

Roquefort is one of the three greatest blue cheese in the world. It has a clean, forceful flavor with strong salt, very different from the sweetness of milk. The pate is damp and crumbly and should be cut with a pre-warmed knife. It is rich and spicy and is best eaten at the end of a dinner and match with a naturally sweet red wine.
